

# Burned Area Emergency Response Public Meeting

The public is invited to attend a community meeting to learn about BAER, the analysis, report and recommendations on the Ranch Fire

We would like to invite you to a public meeting about the Ranch Fire Burned Area Emergency Response (BAER) assessment. There will be an overview of the USFS BAER process, results of watershed response modeling, results of other resource assessments, and discussion about next steps.

## Event Information:

**Thursday, Aug. 30, 2018 (6-7 p.m.)**  
North Shore Event Center  
2817 E. Hwy 20  
Nice, Calif.
