SUMMARY

On October 18, 2021 Officers with the Ukiah CHP area office came upon a head on traffic collision between a silver Toyota Tundra (V-1) and a black Mercedes S65 (V-2) on southbound US-101 south of Golden Rule RV Park. After obtaining statements from those involved, it was determined that V-2 was traveling southbound on US-101 south of Golden Rule RV Park at an unknown speed and was exiting a left turn. V-2 had lost traction with the road causing V-2 to travel out of control and come to rest facing wrong-way against the cement barrier. Shortly after the collision V-1 was traveling southbound on US-101 south of Golden Rule RV Park at an unknown speed in the #1 lane. As V-1 was exiting a left turn the driver of V-1 noticed V-2 directly in front of him blocking the #1 lane. The driver of V-1 was unable to take an evasive maneuver to avoid a collision. The front of V-1 collided with the front of V-2 causing major damage to both vehicles. After the collision the driver of V-1 was able to exit the vehicle under his own power and the driver of V-2 had to be assisted out of V-2 by emergency personal. Both parties were treated by medical personal on scene and were transported to local hospitals for further evaluation.
