

Mendocino County Public Health Department

Healthy People, Healthy Communities

Dr. Andrew Coren, County Health Officer

Press Release

Not for op-ed

Date: December 22, 2021

TO: MENDOCINO COUNTY NEWS MEDIA

FR: MENDOCINO COUNTY PUBLIC HEALTH

Public Notice: A Mendocino County resident recently passed away with COVID-19. Our thoughts are with their family and friends.

Death #104: 72 year-old man from the Willits area; unvaccinated.

Death #105: 76 year-old man from the Fort Bragg area; unvaccinated.

Public Health asks all Mendocino County residents to think about the ways they are protecting themselves and their families from COVID-19. When in doubt, consult with and follow all CDC and CDPH guidance. Vaccination, masking, and social distancing remain the best tools for combating COVID-19.

Fully vaccinated people over age 18 should strongly consider getting a COVID-19 vaccine booster to improve immunity. If you have questions about boosters or vaccines in general, speak with your doctor, or call Public Health at 707-472-2759. To find the nearest vaccine clinic in your area, please visit the Public Health website at: www.mendocinocounty.org/covid19
