**RE: Service Employees International Union Local 1021 v. County of Mendocino
PERB Unfair Practice Charge No. SF-CE-2087-M
Respondent's Position Statement**

The Respondent, County of Mendocino (County), is a public agency within the meaning of California Government Code § 3501(c), and employs members of Service Employees International Union, Local 1021 (SEIU Local 1021). SEIU Local 1021 is a recognized employee organization within of California Government Code § 3501(b), and is recognized by the County as an employee organization that represents employees of the County.

The County and SEIU Local 1021 are presently engaged in ongoing negotiations for a successor contract. The parties' Memorandum of Understanding (MOU) commenced July 1, 2022, and expired June 30, 2023, attached as Exhibit 1. The County has an Employer-Employee Relations Resolution (EERR) providing orderly procedures for the administration of employer-employee relations between the County and its employee organizations, attached as Exhibit 2.

The County sees the PERB Charge as 3 separate and distinct issues, and responds as follows.

Request to Dismiss or Amend Filing

This Unfair Labor Charge is not proper and the County respectfully requests that the Public Employees Relations Board dismiss this filing on a procedural basis.

In the filing, under Declaration, the charging party modifies the statement as follows:

I declare under penalty of perjury ~~that I have read the above charge and that the statements herein are true and complete to the best of my knowledge and belief and that~~ this declaration was executed on 6/20/23 at Sacramento, CA. See verification of Patrick Hickey.

The final page of the filing includes an image of a signed statement provided by Patrick Hickey, as written:

I, Patrick Hickey, am a Field Representative for Service Employees International Union, Local 1021, Charging Party in the above-entitled action. I have read the foregoing Unfair Practice Charge of Service Employees International Union, Local 1021, and know the contents thereof, and I certify that the same is true of my own knowledge, except as to those matters which therein stated upon my information or belief, as to those matters, I believe them to be true. If called as a witness, I could testify competently regarding the matters alleged in the Charge.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct.

Executed this 20th day of June, 2023 at Ukiah, California

The signed statement from Hickey omits the specific language from the Declaration section that “the above charge and that the statements herein are true and complete to the best of my knowledge and belief.” The County’s position is that the discrepancy in language includes a material difference for which this Unfair Labor Practice Charge filing shall be dismissed, or require the charging party to amend the filing so as to resolve the discrepancy in the Declaration section.

I. Threat to Change Working Conditions at the Library after Protected Concerted Activity

The County denies the allegation that Melissa Carr, Branch Librarian and SEIU 1021-represented employee, complaining to the Friends of the Library Groups and the Library Advisory Board is considered protected concerted activity. The Friends of the Library Groups and Library Advisory Board are external groups that have no role in Library operations or the wages, hours, and other conditions of employment of SEIU Local 1021-represented employees.

Furthermore, the alleged threat to take away workspace does not affect Carr at all.

For the reasons stated, the County believes that PERB should not issue a complaint on this issue.

II. Classification Change Without Notice and Opportunity to Bargain

The County denies the allegation that the County failed to provide notice and opportunity to bargain regarding transferring the classification of Branch Librarian from SEIU unit to the Management unit.

In July 2022, the Cultural Services Director contacted Human Resources asking for a review of the Branch Librarian classification for updating and minimum qualifications review. From July 2022 through May 2023, Human Resources intermittently worked on the classification with the department on the draft revisions of the classification. The result was a classification modification and title change.

In May 2023, Human Resources prepared an agenda item to be brought before the Civil Service Commission for classification specification modifications and title changes to the classifications for Branch Librarian and Branch Librarian – Non-MLS to Library Branch Manager – MLS and Library Branch Manager – Non-MLS, and to reclassify incumbents. The agenda item is attached as Exhibit 3, and referenced as Exhibit C in the charging party's filing. The Civil Service Commission agenda was published on Friday, May 12, 2023. It is Human Resources' established practice to notify SEIU when there are any agenda items related to SEIU classifications going before the Civil Service Commission. Bargaining units have the opportunity to speak to the content of classifications at the Civil Service Commission meeting during the agenda item.

On May 12, 2023, the County received an emailed request from SEIU representative, Patrick Hickey, requesting to meet and confer about the proposal before the Civil Service Commission meeting on Wednesday, May 17, 2023, regarding the Branch Librarian classification. Mr. Hickey requested that the item be pulled from the agenda pending the opportunity to request and review information, and discuss the proposal and SEIU's concerns related to it. Mr. Hickey's email did not state the specific reasons for the request for meet and confer. Later that day, Mr. Hickey sent a letter requesting to meet and confer on the proposed changes to the Branch Librarian classification which would ultimately result in the bargaining unit change from SEIU Local 1021 to the Mendocino County Management Association.

The agenda item in question was withdrawn from the May 17, 2023, Civil Service Commission meeting agenda so that this issue could be further assessed.

The proposed classification modification included a tracked change of bargaining unit in the Additional Information section added to all published approved classifications. Additional Information is included on all Mendocino County classification specifications that is a summary

of pertinent information associated with the classification specification, some of which are not under the purview of the Civil Service Commission such as: class code, FLSA status, bargaining unit, dates adopted/revised. This information is determined by the HR Director. In the draft classification specifications, this additional information also showed changes and additions, to include bargaining unit.

The established County practice for classification specification modification was being followed: Human Resources determines modifications of classification specifications, receives concurrence from the departments affected, makes recommended changes to the Civil Service Commission for approval, upon approval takes the request for approval of the classification specification to the Board of Supervisors. If there is a change in the classification salary or bargaining unit, a letter of intent is sent to the bargaining unit representative prior to the Board action to contact Human Resources if they would like to meet further on the matter.

The County is under no obligation to meet and confer regarding the proposed classification modification of the Branch Librarian. Under the EERR, Section 1. Statement of Purpose states:

It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations regarding matters that directly and significantly affect and primarily involve the wages, hours and other terms and conditions of employment of employees in appropriate units and that are not preempted by federal or state law. However, nothing herein shall be construed to restrict any legal or inherent exclusive County rights with respect to matters of general legislative or managerial policy, which include among others: The exclusive right to determine the mission of its constituent agencies, departments, commissions, and boards; set standards of service; determine the procedures and standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other lawful reasons; determine the content of job classifications; subcontract work; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

The County has an obligation to meet and confer over the change in bargaining unit if requested. However, SEIU's request to meet and confer was premature, as the proposed classification modifications as drafted had not yet been approved by the Civil Service Commission. The content of the classifications are the basis of the determination of the appropriate bargaining unit assigned. Until the Civil Service Commission approves the classification modifications as presented or as changed upon direction of the Civil Service Commission, the classification modifications are not finalized and ready for meet and confer.

Under the EERR, Section 9. Policy and Standards for Determination of Appropriate Units, Subparagraph f states:

The Employee Relations Officer shall, after notice to and consultation with affected employee organizations, allocate new classifications or positions, delete eliminated classifications or positions, and retain, reallocate or delete modified classifications or positions from units in accordance with the provisions of this Section. The decision of the Employee Relations Officer shall be final.

For the reasons stated, the County believes that PERB should not issue a complaint on this issue.

III. Policy Regarding SEIU-Represented Employees' Requests to Attend Board of Supervisors' Meetings

The County denies the allegations that the County had a long-standing practice of allowing employees to attend BOS meetings during work time without taking personal accrued leaves and without such advanced notice, Saeturn's June 5, 2023, memo announced a new policy, Saeturn's memo discriminated against employees supporting the Union or engaging in protected concerted activity, and that the County unilaterally implemented changes without providing a notice and opportunity to SEIU to bargain.

SEIU Local 1021 asserts that in a memo issued by Kao Saeturn, HR Manager for the County, on June 5, 2023, to Department Heads and Elected Officials, attached as Exhibit 4, and referenced as Exhibit D in the charging party's filing, "The memo does not apply to employees that attend the BOS meetings for any other purpose. Saeturn's new policy allows employees to continue to attend BOS meetings for purposes other than supporting the union and engaging in protected concerted activities without taking personal accrued leaves, discriminating against union supporters and employees who engage in protected concerted activities." Saeturn's memo did not relay a new policy, it only restated the County's longstanding practice.

SEIU Local 1021 misunderstands Saeturn's memo to mean that employees are allowed to attend Board of Supervisors meetings "for purposes other than supporting the union and engaging in protected concerted activities without taking personal accrued leaves..." In fact, Saeturn's memo intended to provide guidance to departments so they may act consistently in facilitating employee attendance at Board of Supervisors meetings. The County's practice is that attendance at a Board of Supervisors meeting, for any reason except approved department or County business, must be conducted on the employee's own time, meaning through either of the use of accruals or unpaid time off, and requested in advance. Board of Supervisors meetings are regularly scheduled to occur twice monthly on Tuesdays, starting at 9:00 A.M. Employees of the County regularly attend and participate in Board of Supervisors meetings for non-union purposes, and it is commonly understood by employees and departments of the County that

attendance at a Board of Supervisors meeting that is not for approved department business, is conducted on the employee's own time, and that any time away from performing work assignments is subject to advance approval by a supervisor. Requests from employees to attend Board of Supervisors meetings for non-department or County business are regularly made and approved with short notice. This practice applies regardless of an employee's membership in an employee organization, pertains to all items that go in front of the Board of Supervisors, and is not limited to the reasons of "supporting the union and engaging in protected concerted activities."

SEIU Local 1021 asserts "Saeturn's memo only applies to SEIU-represented employees that wish to attend BOS meetings to express support the Union and engage in other protected concerted activities." The County interacts with eight (8) unions and employee organizations and Saeturn's memo addresses employees across all employee organizations. Saeturn's memo does not name SEIU Local 1021 or any particular employee organization, only referencing employee organizations in general. At the time of Saeturn's memo, the County was engaged in ongoing negotiations for successor contracts with four (4) other employee organizations, and Saeturn's memo addresses all employee organizations.

On June 5, 2023, Saeturn issued a second and separate memo five (5) minutes after the first memo, attached as Exhibit 5. This memo provided guidance specific to two departments with employees that served in SEIU Officer roles authorized to attend Board of Supervisors meetings as paid release time per MOU Article 4.15, and was intended as guidance for the departments to act in compliance with SEIU Local 1021 rights. These two departments employed the SEIU Local 1021 Mendocino Chapter President, and their likely designee, the Vice President. MOU Article 4.15 Union Release Time Bank states:

Additionally, the County shall grant up to 8 hours per month of paid release time for the president or other designee on the executive board of the bargaining unit, to attend meetings of the Board of Supervisors whenever an agenda item affects the Union or bargaining unit employees. The Union president or executive board designee shall provide notification in writing to his/her appointing authority or designee prior to attending the Board of Supervisors meeting with as much notice as possible. The appointing authority or designee has the right to deny the release time for operational reasons in which case a different executive board member may be designated.

Saeturn's two June 5, 2023, memos were issued in response to specific requests for guidance from departments that had received requests from employees to attend an upcoming Board of Supervisors' meeting scheduled for June 6, 2023.

On June 5, 2023, at 10:12 AM, Hickey initiated an email exchange with Saeturn. Hickey wrote:

If any employee is discouraged or prevented from attending the Union Action at the Board of Supervisors meeting tomorrow, this will constitute an Unfair Labor Practice against the employee's right to engage in Protected Concerted Activity.

While it is not our intent to be disruptive and we have suggested that employees notify their supervisors about their participation, they are under no obligation to do so, unless doing so would constitute an imminent threat to public health. Please correct this directive.

In the email reply at 12:28 PM from Saeturn to Hickey, Saeturn wrote:

The notice to departments did not include any suggestion or direction to discourage or prevent any employee from attending a Board of Supervisors meeting, nor did it not state that any employee was required to notify their supervisor they will be attending a BOS meeting or participating in any concerted activity. The County has no desire to discourage or prevent any employee from attending a BOS meeting or participating in any concerted activity.

Please don't read into this notice to departments for more than it is. Departments received requests from employees disclosing they would be attending an upcoming Board of Supervisors meeting, and requested guidance specific to this topic. The message in this email is to departments that if an employee states that they plan to attend a BOS meeting, this activity must be conducted on the employee's own time, unless it is during the employee's regular break or lunch, and requested in advance. The departments have a duty to serve the public, but any requests will not be unreasonably denied.

A true and correct copy of the June 5, 2023, email exchange between Hickey and Saeturn is attached as Exhibit 6.

SEIU Local 1021 asserts "Prior to Saeturn issuing the June 5 memo, the County had a long-standing practice of allowing employees to attend BOS meetings during work time without taking personal accrued leaves and without such advanced notice." The County did not engage in making any unilateral changes, and in fact, only clarified the County's established practice for departments.

SEIU Local 1021 asserts that "The County did not provide the opportunity to SEIU to meet and confer over Saeturn's memo before it was implemented." The County did not implement a change in policy and was under no obligation to meet and confer, and Hickey made no mention or request to the County to meet and confer over this alleged new policy.

SEIU Local 1021 asserts that employees have been allowed to attend BOS meetings during work time without taking personal accrued leaves and without such advanced notice.

Hickey contradicts this assertion in an email to Mendocino County Chapter SEIU Local 1021 members on May 29, 2023, one week prior to Saetern's memos. Hickey wrote:

We have a right under California Labor Law to work collectively to address our workplace concerns, so we are protected doing this on work time. To be paid for the time you may need to request PTO or vacation time, but you can attend regardless.

SEIU Local 1021 asserts the Saetern memo as the County making "unilateral changes," when in fact, as recently as the week prior to the Saetern's memos, Hickey's email demonstrates his understanding to be in line with the County's practice as stated in Saetern's June 5, 2023, memos.

A true and correct copy of Hickey's email is attached as Exhibit 7.

At no point prior to this Unfair Practice Charge had Hickey informed the County that an alleged change in policy had taken place, nor did Hickey request to meet and confer. In fact, ten days after Saetern's memos, Hickey communicated a policy consistent with the County's direction as stated in Saetern's memos. On June 15, 2023, in an email blindcopied to Mendocino County Chapter SEIU Local 1021 members, Hickey wrote:

We have a right under California Labor Law to work collectively to address our workplace concerns, so we are protected doing this on work time. This will not be paid time unless you request PTO, vacation or ask to flex your hours, but it is important that we have all hands on deck.

The language change between Hickey's two emails demonstrates Hickey's understanding that attending Board of Supervisors meetings is only on paid time is consistent with Saetern's memos.

A true and correct copy of Hickey's email is attached as Exhibit 8.

For the reasons stated, the County believes that PERB should not issue a complaint on this issue.

Request for Dismissal of Charges

The County denies SEIU Local 1021 allegations, inclusive of bargaining in bad faith, failing to provide the Union with a true opportunity to meet and confer over the aforementioned unilateral changes, unilaterally implementing such changes, discriminating against Union supporters, and interfering with protected rights of public employees and the Union.

For the reasons stated above, the County believes PERB should not issue a complaint.

DECLARATION

I declare under penalty of perjury that I have read the above charge and that the statements herein are true and complete to the best of my knowledge and belief and that this declaration was executed on July 21, 2023, at Ukiah, California.

The response shall become a permanent part of the employee's official personnel record. The response shall fully describe the circumstances surrounding the issues(s) with which the employee disagrees, and it shall include a statement of facts, supportive documentation, and/or witnesses. An employee wishing to respond shall be responsible for providing the written response within thirty (30) calendar days, to be included as part of the employee's permanent personnel record.

An employee shall have the right to have entered into their personnel file their own comments to the document by submitting said comments to the Human Resources Department within thirty (30) calendar days of the employee having received the adverse document. Should an employee refuse to sign or initial the document, that fact shall be noted on the document and signed or initialed by the supervisor. In the event an employee is not available due to resignation, termination, or leave of absence longer than thirty (30) days to read and sign or initial the document, a copy of the document with a notation stating "cc: Personnel file" will be mailed to the employee's last known address. The County reserves the right to determine the method, the means, and the timing or necessity for employee performance evaluations, subject only to the following provisions:

- The employee's immediate supervisor shall formally evaluate an employee at least annually. Evaluation factors shall be job-related. Performance deficiencies, if any, and necessary corrective actions will be documented in formal evaluations. Evaluations shall include space for employee comments. An employee's signature on a performance evaluation indicates receipt of the evaluation only and is not to be construed as an agreement with the evaluation, or comments made by the evaluator.

The parties agree that the prohibition against sexual discrimination includes sexual harassment. The County and the Union shall equally share the responsibility of the application of this provision, or any other considerations made unlawful by federal, state, or local law.

9. Equal Employment Opportunity/Affirmative Action

The County of Mendocino has adopted an Equal Employment Opportunity/Affirmative Action Policy Statement that shall govern any and all actions arising from employment discrimination matters. An employee may elect to utilize this policy or the grievance procedure to address a complaint of discrimination.

A. Equal Employment Opportunity/Affirmative Action Program Policy Statement

The County of Mendocino is an equal opportunity employer and is committed to an active Equal Employment Opportunity/Affirmative Action Program (EEO/AAP). It is the stated policy of the County of Mendocino that all employees and applicants shall receive equal consideration and treatment in employment without regard to race, color, religious creed, ancestry, national origin, age, sex, marital status, medical condition, disability, physical handicap, military service, veteran status, or any other consideration made unlawful by federal, state, or local law. All such discrimination is unlawful.

All recruitment, hiring, placements, transfers, and promotions will be on the basis of individual skills, knowledge, and abilities, and the feasibility of any necessary job accommodation, regardless of the above identified bases. All other personnel actions such as compensation, benefits, layoffs, terminations, training, etc., are also administered without discrimination. Equal Employment Opportunity/Affirmative Action Program (EEO/AAP) will be promoted through a continual and progressive EEO/AAP.

The objective of an EEO/AAP is to ensure non-discrimination in the employment and, wherever possible, to actively recruit and include for consideration for employment, minorities, women, and the physically handicapped.

To comply with applicable laws ensuring equal opportunities to qualified individuals with a disability, Mendocino County will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee; unless undue hardship would result.

Any applicant or employee who requires special accommodations to perform the essential functions of the job should contact the Human Resources Department and request such accommodations. The individual with a disability should specify what accommodation he/she needs to perform the job. The County will conduct an investigation to identify the barriers that make it difficult for the applicant/employee to have an equal opportunity to perform his/her job. The County will identify possible accommodations, if any, which will eliminate the limitation. If the accommodation is reasonable and will not impose an undue hardship, the County will make the accommodation.

The Human Resources Director has been designated EEO/AAP Coordinator. Inquiries concerning the application of federal and state laws and regulations should be referred to him/her. If you believe you have been subjected to any form of unlawful discrimination, provide a written or verbal complaint to a supervisor or the Human Resources Director as soon as possible. Your complaint should be specific and should include name(s) of individual(s) involved and the name(s) of any witnesses. The County will take immediate action to make an effective, thorough, and objective investigation, and attempt to resolve the situation. The coordinator is responsible for administering program progress and initiating corrective action when appropriate. All personnel actions are monitored and analyzed to ensure the adherence of this policy. Regular annual reports are submitted to the Human Resources Director for review and evaluation of progress.

If it is determined that unlawful discrimination has occurred, effective remedial action will be taken, commensurate with the severity of the offense. The action taken by the County to remedy the situation will be made known to you, and the County will not retaliate, nor permit retaliation against you for filing a complaint.

To achieve the goals of our EEO/AAP, it is necessary that each member of this organization understand the importance of the program and his/her individual responsibility to contribute toward its maximum fulfillment.

10. Americans With Disabilities Act

Mendocino County will comply with all relevant Federal and State statutes, Fair Employment and Housing Agency (FEHA) provisions and applicable provisions of the Americans With Disabilities Act (ADA). The EEO/AAP policy adopted by the Board of Supervisors (3.9.1 above) contains appropriate language to insure protection for ADA-qualified individuals.

11. Discrimination in Employment Prohibited

Because the ADA requires accommodations for individuals protected under the Act, and because these accommodations must be determined on an individual, case-by-case basis, the parties agree that the provisions of this Memorandum may be waived in order for the County to avoid discrimination.

The Union recognizes that the County has the legal obligation to meet with the individual employee to be accommodated before any adjustment is made in working conditions.

Any accommodation provided to an individual protected by the ADA shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance procedure.

A waiver may be granted for any provision of this Memorandum in order to undertake required accommodations for an individual protected by the Act. The County will provide the Union with notice of its intent to waive the provision.

12. No Discrimination Based on Union Activity

Provisions of this Memorandum shall be equally applied to all employees in the bargaining unit without discrimination based on Union activity. Except as otherwise provided in this Memorandum, disputes under this Article shall be subject to Article 19 (Grievance Procedure).

13. Employee Liability

Division 3.6 of Title I of the Government Code establishes a County employee's liability for acts or omissions within the scope of employment and the County's obligation to indemnify and defend County employees for claims against them arising from those acts.

The County and County employees recognize their respective rights and obligations under these provisions of these laws as they exist at this time, and as they may be amended or given final, binding judicial interpretation.

14. Reassignment / Relocation

Assignment of job duties is a management right. It is the sole discretion of a department head to assign employees to job duties within the scope of their classifications or as emergency conditions require, in a manner to effectively carry out the functions of the department and service to the public.

The County and the Union recognize that reassignments may occur in the fulfillment of these functions.

However, in the furtherance of fairness to employees, creating better service to the public, and better communications and morale, the County agrees that in the absence of agreement by the employee, the County will provide the following information to an affected employee, prior to initiating a reassignment that requires the relocation of an employee to a facility more than 25 miles from their current job site:

- 2) The Human Resources Director must authorize movement to a different classification.
- 3) An employee transferring from one classification to a different classification in the same grade assignment must meet the positional qualifications and be able to effectively carry out the duties of the different classification or position [including any particular skills or duties - such as bilingual ability or evening work - assigned to the particular position].

15. Meet and Confer Release Time

Release time for the purpose of meet and confer shall be provided for five (5) employee members of the Union's bargaining team. Release time shall be limited to that which is statutorily required under Meyers-Milias-Brown Act (MMBA) (time spent at the negotiations table, in caucus with bargaining team, travel time, and in mediation and

fact finding sessions).

Release time for meet and confer shall be limited to the normal work shift hours of employee negotiators. Time spent in the meet and confers process outside the employee negotiator's normal work shift hours shall not be compensated.

Within reasonable limitations, employees will be permitted to copy, print, or electronically download portions of these documents, policies and Title 3 [job-related portions] of the County Code free of charge.

Employees may request and receive by interdepartmental mail, within reasonable limitations, a copy of portions of the above referenced documents, policies and Title 3 of the County Code, free of charge from their department.

Once per quarter the Union may request a full list of bargaining unit employees including, name, job title, department, work location, work, home and personal cellular telephone numbers and personal email addresses as required by law, except where employees have legally required that their personal information not be released to anyone.

B. Extra Help Workers: The County shall provide the Union with a report on a quarterly basis listing the name of the extra-help workers, department, classification and expected end date of the extra-hire assignment.

11. Contact by Union

A Union steward or business agent shall be entitled to contact all newly-hired employees for the purpose of providing the new employee with information about the Union. These activities shall be conducted on the Union steward's and the newly hired employee's own time and shall not interfere with the conducting of County business.

12. Union Stewards

The Union may designate Union stewards among employees in all bargaining units represented by the Union. Union stewards have the right and obligation to represent and assist individual employees as provided for in this Memorandum. The Union will provide the County's Human Resources Director with a current and updated list of Union stewards. The County's Human Resources Director will notify department heads that have designated stewards in their departments.

The Union and the County agree that initial training for stewards will include the training of management representatives.

For the purpose of this Section, the term "discipline" shall be as defined in Article 2 of this Memorandum.

Duties required by the Union of its stewards, with the exception of attendance at formal meetings with the County, supervisory personnel, and/or aggrieved employees arising out of a pre-disciplinary investigation, or any meeting under the grievance procedure, shall not interfere with the Union stewards' or other employees' regular work assignments. No steward may leave duty or work for purposes of Union representation without the specific approval of the steward's supervisor or other authorized management official. Such release will not be capriciously or arbitrarily denied. The Union's request for release time shall not be made capriciously or arbitrarily and time demands for work on Union activities, or on any one employee, shall be within reasonable limits.

All time for the above recognized steward activity would be paid release time.

The Union and County agree that employee performance evaluation, or other meetings that do not include a discussion of discipline, will not create a right for steward representation or assistance at the meeting.

While the Union is free to choose its stewards from employees, it agrees that the number of stewards from any one department, division, or work area will not hinder effective working relationships or productivity and delivery of County services. Neither the County nor the Union shall interfere with, intimidate, coerce, or discriminate against employees or Union stewards for exercising their rights as granted under Government Code § 3502.

Section 3502 grants employees the right to form, join, and participate in the activities of an employee organization of their own choosing for the purpose of representation for all matters of employer-employee relations. They shall also have the right to refuse to join or participate in the activities of the Union and shall have the right to represent themselves individually in their employment relations with the County. (Note that the courts have held that the employee's right of self-representation is limited to a "right to be heard," to express their personal concerns through a grievance, or other existing appeal or communications procedure, and is not an enforceable right to meet and confer.)

The County and the Union recognize that the above language does not, and is not intended to grant additional

protections that are not inherent under Government Code § 3502.

13. Dues Check Off Deductions

The County agrees to deduct all Union dues, member benefit program costs, insurance premiums, and assessments from the pay of those employees who have authorized that such deductions be made. The amounts deducted shall be remitted promptly to the Union, or its designees, with an alphabetical list of the employees from whom the deductions were made. The Union agrees to indemnify, defend and hold harmless the County, its officers, agents, and employees from any claim, liability, or damage arising from this provision.

14. Payroll Deductions

The Union shall have six (6) input deduction screen fields available at no cost for payroll deductions for programs or purposes sponsored by the Union and approved by the County. Any additional input screen fields needed by the Union during the stated duration of this Memorandum are subject to a service charge.

15. Union Release Time Bank

The County will grant a combined maximum of 200 hours of release time per fiscal year, with a maximum of 24 hours for any one employee per fiscal year, to be paid for by the Union, deducted from employee vacation, CTO or personal leave time, or deducted from a bank established from donations of vacation, CTO or personal leave time. At the request of the Union, the County shall consider requests permitting any one employee to exceed maximum of 24 hours per fiscal year. The County will match the first 40 hours of time donated by employees to the bank. The County's contribution of 40 hours is restricted in its use to the training of Union Stewards to improve the handling of grievances and disciplinary issues. At no time shall deductions from the bank be allowed in excess of donated hours. Additionally, the County shall grant up to 8 hours per month of paid release time for the president or other designee on the executive board of the bargaining unit, to attend meetings of the Board of Supervisors whenever an agenda item affects the Union or bargaining unit employees.

The Union president or executive board designee shall provide notification in writing to his/her appointing authority or designee prior to attending the Board of Supervisors meeting with as much notice as possible. The appointing authority or designee has the right to deny the release time for operational reasons in which case a different executive board member may be designated.

The Union President, or his/her authorized representative, shall be granted 32 hours leave per calendar year in addition to the 24 hour limit per employee, as stated above, using SEIU employee donated hours.

Upon request from the Union manager or designee, the County may authorize release time for Union Stewards and Officers to attend meetings and training not otherwise covered in this Memorandum of Understanding. The Union shall specify in the request whether the time to be used will be paid time or unpaid time. The Union shall provide a monthly reporting to the Human Resources Director including the names and hours used by employees during County work hours. In all cases release time shall not unreasonably interfere with a department's operation, and Union members shall secure permission from their supervisors before leaving work assignments. Requests for release time shall not be unreasonably denied.

The County will provide release time to bargaining unit employees in accordance with the requirements of law including California Government Code section 3558.8.

ARTICLE 5. MANAGEMENT RIGHTS AND RESPONSIBILITIES

1. Definition of Management Rights

Subject to applicable laws, it is the exclusive right of the County to determine the purpose or mission of each of its constituent departments, boards, and commissions; set standards of service to be offered to the public; and exercise control and discretion over its organization and operations. It is also the right of the County to direct its employees; take disciplinary action for just cause; relieve its employees from duty because of lack of work or for other legitimate reasons; determine whether goods or services shall be made, purchased, or contracted for; and determine the methods, means, and personnel by which the County's operations are to be conducted. The County has the right to take all necessary actions to maintain uninterrupted service to the community, provided that the exercise of these rights does not preclude employees or their representatives from meeting and conferring with the County on the impact of County actions on matters within the scope of representation pursuant to Government Code § 3500 et. seq. and applicable law.

2. Management Conduct

Management is expected to conform to the standard of conduct expected of public employees and is expected to refrain from activity which is in violation of federal, state, or county law, or the County Employer-Employee Relations Policy.

ARTICLE 6. HOURS AND OVERTIME

1. Application

This Article is intended only as a basis for outlining standards for hours of work, work schedules, and a basis for calculating overtime payments. Hours specified under types of employment indicate a commitment by the County to minimum and maximum hours each employee is to be regularly scheduled, as long as there is sufficient work.

2. Definition of Types of Employment

A. Permanent Types of Employment with the County.

- 1) Full-Time: An allocated position that is regularly scheduled for eighty (80) hours of work per pay period. Additional definitions can be found in County Code - Title 3 - Personnel Chapter 3.04.
- 2) Part-Time: An allocated position that is regularly scheduled for less than eighty (80) hours per pay period. If the Board of Supervisors by resolution, after fulfilling meet and confer obligations, designates a standard work week of less than forty (40) hours a week, "part-time" service shall consist of a weekly or pay period schedule which is less than the standard number of hours per week.

B. Non-Permanent Types of Employment with the County.

1) Extra-Help:

- Extra-help is a generic term for a non-allocated position used to fill unanticipated, temporary, infrequent or occasional employee needs of a department or the County.
- An extra-help position is at-will. Employees in extra help assignments do not gain seniority or other property rights and are not eligible for other benefits normally associated with a County Civil Service classification.
- Extra-help should not normally be used when the staffing need for a position is regular, scheduled, or routinely anticipated, or is a, frequent, predictable, or constant factor that could be calculated into a department's annual budget request, and could be appropriately assigned to a fully trained permanent or regular employee.

2) Temporary:

- A temporary position is an extra-help position that is limited in time and scope, usually for a particular project, and frequently of short duration, rarely longer than 6 or 12 months, or is used for an extended period of time to assist on or complete a particular project or assignment that has a clear end or completion date [such as a grant funded project].

3. Work Schedules

The County reserves the right to establish and modify work schedules after meeting and conferring with the Union.

4. Flex-Time Schedule

The County reserves the right to utilize a flextime schedule. An employee and the employee's appointing authority must agree to the assignment to flextime. Employees assigned to a flex-time schedule will be eligible for compensation for overtime when required by law or when the employee's pay status hours exceed forty (40) in the employee's regular seven (7) day work period or in excess of a normal full-time daily work shift. The County reserves the right to discontinue the flextime schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department. It is not the intent of a flex schedule to require an employee to work beyond their regularly scheduled hours (i.e. overtime) and then adjust other regularly scheduled hours within the same pay period to avoid overtime, unless agreed to by the employee.

5. Posting of Work Schedules

For the convenience of employees, changes in normal work schedules will be posted in advance.

6. Changes of Schedule

Except when operational emergencies arise, notice of a change in an employee's work schedule – other than for changes caused by a transfer, re-assignment or promotion- will be given to an affected employee not less than ten [10] calendar days prior to the effective date of the schedule change.

Lunch time may be assigned by the department or supervisor any time from three [3] to five [5] hours after the start of the employee's shift or work day, and does not require a five day notice to change, unless the employee has notified his or her supervisor of a scheduled appointment that cannot be timely changed on short notice.

An employee may agree to any schedule change – and waive any notice requirement.

Unless the change in schedule has been requested or waived by the employee, failure to give the ten [10] calendar days' notice to a full-time employee shall entitle the affected employee to compensation equaling one-and-one-half (1½) times the employee's base hourly rate for all hours actually worked on the new schedule which are exclusive of the old schedule until ten [10] calendar days' notice has been achieved. However, for each such hour worked that constitutes statutory overtime, compensation shall be based on the regular rate of pay so that one-and-one half (1½) time is not compounded upon one-and-one-half (1½) time.

7. Overtime

It is the policy of Mendocino County to avoid the necessity for overtime whenever possible. When overtime work is necessary to provide County service, such overtime shall be compensated as provided below. Overtime for the non-exempt employee is divided into statutory overtime and non-statutory overtime.

No employee shall work overtime unless authorized by the employee's designated supervisor.

After the twelfth consecutive hour, no employee shall be required to work mandatory overtime.

A. Statutory Overtime

Statutory overtime for the non-exempt employee is defined as all hours worked in excess of forty (40) hours in a regular seven (7) day work period, or all hours worked in excess of a normal full-time daily work shift.

B. Non-Statutory Overtime for the Non-Exempt Employee

Non-statutory overtime for non-exempt employees is defined as hours in pay status in excess of forty (40) hours in a seven (7) day work period or hours in pay status in excess of the normal full-time daily work schedule established by the appointing authority, or any other circumstance except Article 6.7.A, where overtime pay is provided for non-exempt employees elsewhere in this Memorandum. Except for the Elections Department, overtime is also defined as hours actually worked on the seventh consecutive full (8, 9, or 10) hour day and any consecutive full (8, 9, or 10) hour days worked thereafter; however, individual employees may waive such overtime with the consent of the Union.

C. Flexible Time Off for FLSA Exempt Employees

Flexible Time Off (FTO), computed at the direct rate of one times the hours worked beyond the regular forty (40) hours per week by Exempt service employees, may be accumulated to a maximum of forty-eight (48) hours. Accumulated FTO hours may be taken by an employee as time off with pay upon the request of the employee and approval of the appointing authority. Accumulated FTO hours shall not be paid at any time. The choice of using Flexible Time Off, Vacation Leave, or Personal Leave for an approved absence from work is at the election of the employee.

8. Overtime Not Cumulative

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one of the conditions set forth above may apply with respect to a particular unit of time.

9. Assignment of Overtime

Employees who wish to work discretionary overtime may notify the supervisor in writing of their availability.

In non-emergency situations, the department head or designee will assign overtime to employees on the availability list, on a rotating basis, with as much advance notice as is reasonably possible.

Except in emergency operations, or in the Elections Division of the County Clerk's Department during an election, no bargaining unit employee shall be required to work in excess of sixteen (16) hours in a twenty-four (24) hour period.

The department may consider such factors as – but not limited to – location of work assignment, the type of work activity, level of supervision needed by the employee, the skills needed to perform the work, and availability of the employee.

The “availability list” will include all employees who request to be on said list, who meet the minimum job requirements, and who are routinely assigned to duties similar to those required in the overtime assignment.

When an overtime assignment is accepted, the County shall indicate the method of payment. (i.e. cash or compensatory time off).

Overtime in the Department of Transportation will routinely be assigned first to the appropriate Yard Supervisor, who has been assigned a vehicle for the purpose of responding to emergencies. Additional personnel needed after the initial response and assessment by the Yard Supervisor will be assigned in accordance with the overtime provisions above.

10. Overtime Compensation for Non-Exempt

All overtime shall be earned at the rate of one-and-one-half (1-½) hours for each one overtime hour worked. Overtime compensation for non-exempt employees will be payable with compensation for the pay period in which the regular workweek ends or later as permissible by law.

Non-exempt employees shall be compensated for overtime earned either in cash or as compensatory time off. Statutory overtime shall be compensated in accordance with law utilizing all permissive credits. Non-statutory overtime earned shall be compensated either in cash or as compensatory time off.

Unless an employee agrees, an appointing authority will not assign overtime work and require the employee to flex their regular work schedule in the same pay period to avoid overtime.

11. Compensatory Time Off (CTO)

Compensatory time off (CTO) shall not be confused with “flex-time”. Compensatory time strictly refers to an alternate form of compensation for overtime work and shall be paid at one and one half (1 ½) times the base hourly pay rate. An appointing authority will not assign overtime work and require the employee to flex their regular work schedule in the same pay period to avoid overtime.

A. Approval for Compensatory Time Off

No employee shall take compensatory time off without prior approval of the employee's appointing authority. The appointing authority shall attempt to schedule such time off at the time agreeable to the employee.

B. Cash Pay Only

When forty-eight (48) hours of compensatory time are accumulated, the department will compensate the employee in cash for any additional overtime worked.

Unused CTO shall be paid out in pay period 13. Notification of pay out date shall be provided to all employees upon hire.

C. Payment at Separation

Each employee who is separated from County service shall be entitled to payment for accrued compensatory time at the employee's base hourly rate at the time of the employee's separation, or in accordance with law.

12. Rest Period

Each department head shall grant rest breaks to employees, except where unusual operational demands prevent a rest break. Rest breaks will not be unreasonably or consistently denied. The rest period shall not exceed fifteen (15)

minutes in any four (4) consecutive hours of work and shall be considered as time worked.

13. Duty-Free Meal Period

Employees shall be granted a duty-free meal period during each work shift that exceeds six (6) consecutive hours. The duration of the meal period may be not less than thirty (30) minutes nor greater than sixty (60) minutes and will be scheduled as near to the middle of the work shift as reasonably possible. Different meal periods may be assigned to different work units in the same County department or division. Duty-free meal periods shall not be considered as time worked.

14. Non-Duty-Free Meal Period

Notwithstanding Article 6.13 above, in those special circumstances where the County determines a duty-free meal period is not appropriate with the delivery of efficient and productive services to the public, as determined by the appointing authority, the employee shall be assigned to a non-duty-free meal period which shall be considered time worked. If the County plans to take action under this Article, the department shall give the affected employee(s) advance written notice and provide an opportunity for the affected employee(s) to discuss the issue with the appointing authority before final action is taken.

15. Call Back

An employee who is not assigned to on-call status and is called back to work shall receive compensation for a minimum of three (3) hours worked.

16. Fair Labor Standards Act

The parties agree to comply with the current federal law known as the Fair Labor Standards Act (FLSA) and to meet and confer thereon as necessary during the term of this Memorandum on matters within the scope of representation for the purpose of implementing the Act as may be required by federal law or executive order or amending any ordinances, resolutions, policies, rules, regulations, or procedures necessitated by, or impacted by FLSA requirements. In addition, the parties shall comply with any amendments to the current FLSA that may occur and may be effective during the term of this Memorandum, as well as all decisions by any agency of competent jurisdiction that has superseding authority to interpret and enforce the law.

ARTICLE 7. SALARY AND SALARY UPON STATUS CHANGE

1. Salary

Effective January 1, 2023, all bargaining unit employees shall receive a 2% COLA.

Upon Union ratification and Board approval, the parties shall establish a survey jurisdiction comprised of the following agencies:

- City of Ukiah
- City of Santa Rosa
- El Dorado County
- Humboldt County
- Lake County
- Napa County
- Nevada County
- Sonoma County
- Sutter County
- Yolo County

Survey Methodology

- The County will survey at market average.
- Salary data will be compiled at the top step of the applicable benchmark.
- No employee will suffer a wage reduction as a result of the survey.

3. Salary Plan Administration

The salaries or rates of compensation prescribed are fixed on the basis of full-time service in full-time positions,

unless otherwise designated.

4. Merit Increase

Upon progress and productivity, employees may be considered for increase from one step in the salary range to the next step in the salary range according to the following plan:

- The numbers 1,2,3,4, and 5, respectively, denote the various steps in the pay range. Each step represents a five percent (5%) increase in salary above the previous step.
- Step 1 shall be paid upon initial employment except when a higher step in a salary range is authorized under Article 7.6 of this Memorandum.
- Step 2 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty-six (26) pay periods of employment at Step 1.
- Step 3 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty six (26) pay periods of employment at Step 2.
- Step 4 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty six (26) pay periods of employment at Step 3.
- Step 5 shall be authorized upon receiving an overall rating equivalent to satisfactory, or above, after completion of twenty six (26) pay periods of employment at Step 4.
- Nothing in this section should be construed to prevent any pay for performance strategies.

A. Merit Increase Not Automatic

Advances in pay shall not be automatic upon completion of the periods of service outlined herein, and all increases shall be made only upon the written approval of the appointing authority. Written approval, plus a current evaluation, must be submitted to the Human Resources Department not later than ten (10) days after the proposed effective date.

B. Missed Merit Increase

If the merit increase does not become effective on the proposed effective date, due to an error or oversight in initiating or processing the approval for an advance in pay for which an employee may be otherwise eligible, the employee may report these facts in writing to the department head with a copy to the Human Resources Department within forty-five (45) days of the first pay period following the effective date. The proposed increase shall be made effective retroactive to the proposed effective date.

C. Denial of Merit Increase

In the event a merit increase is denied, the affected employee shall be re-evaluated within three (3) months of the initial denial of the merit increase.

A department head shall grant a merit increase to an employee who has received an overall rating equivalent to satisfactory, or above.

In accordance with these rules, a department head shall withhold a merit increase for an employee whose work performance has received an overall rating that is less than satisfactory.

- 1) The department head shall notify the affected employee and the Human Resources Director of the decision to deny a merit increase.
 - (a) The department head shall endeavor to provide the employee and the Human Resources Director notice of this decision to deny a merit increase, at least ten (10) days prior to the date on which the employee is eligible for the merit increase.
 - (b) Denial of a merit increase must be supported by a performance evaluation and include a corrective action plan.
 - (c) In the event a merit increase is denied, the affected employee shall be re-evaluated within three (3) months of the initial denial of the merit increase, and periodically thereafter, if appropriate for the corrective action plan.
- 2) If an employee is denied a merit increase, the employee has a right to meet with the department head and ask for reconsideration of the denial.

- (a) During this meeting the employee has a right to discuss the merit increase denial, his or her evaluation, and the department's corrective plan.
- (b) The employee may have a representative present during this meeting.
- (c) This meeting is not an evidentiary hearing, nor can the decision of the department head to deny a merit increase be appealed or grieved, except for grounds that would otherwise exist under this Memorandum or law.

5. Pay Range Revision

When a pay range for a given class, or for several classes, is revised upward or downward, the incumbents of positions in classes affected shall have their existing pay adjusted to the same numbered step in the new pay range.

6. Extraordinary Qualifications Upon Hire

In the event any individual offered employment with the County is found to possess extraordinary qualifications for a position through former training or experience, the appointing authority may request, and the Chief Executive Officer may authorize the employment of such employee at Step "2", or if it is found that extraordinary circumstances exist and the public interest requires, a person possessing extraordinary qualifications may be employed at Step "3", "4", or "5" of the appropriate pay range on the recommendation of the appointing authority and when authorized by the Chief Executive Officer.

A. Reporting Requirement

The County must report to the Union, in writing, all employees hired under the Extraordinary Qualification Provision above.

7. Salary Step Upon Layoff/Rehire

An employee who has been laid off from County service because a position is abolished or because of a lack of work or lack of funds, and who is reemployed in the same classification within the period provided for restoration or re-employment, shall return at the same salary step 1 (A), 2 (B), 3 (C), 4 (D), and 5 (E) held as of the date of layoff.

Upon returning from layoff, the employee shall receive credit for pay periods of service rendered prior to the layoff in accumulating the total number of pay periods of employment required for advancement to the next step in the salary range. An employee who returns from layoff to a classification with a salary range higher or lower than the range for the classification from which laid off shall receive a rate of pay as provided in County Code 3.04.140.

8. Salary Step on Promotion or Reclassification

In the case of the promotion or reclassification of any employee to a position in a class with a higher pay range, such employee shall be entitled to receive the first step of the new range or a step in the new range that is equal to one step higher than the salary the employee was receiving prior to promotion or reclassification, whichever is greater.

If the amount equal to a one-step increase in the employee's pay range prior to promotion or reclassification does not appear in the new range, then the employee will receive the step in the new range next above what would normally be a one-step increase in the employee's former range.

If an increase equal to one step should exceed the last step of the new range, the employee shall be promoted to the last step of the new range.

For the purpose of this section, reclassification is defined as the process by which the Civil Service Commission, Merit Systems for Local Government, or other lawful authority places an employee in a classification with a higher pay range based on finding that the employee's performance of work duties while serving in the class previously held are more consistent with the duties assigned to the classification with the higher pay range.

A. New Anniversary Date Established

In all cases of promotion, a new anniversary date shall be established for purposes of eligibility for future merit increases.

9. Salary Step on Demotion

Any employee of the County of Mendocino who is demoted to a class with a lower pay range; the following shall apply:

A. Probationary

An employee who, during the probationary period, is demoted to a class formerly occupied in good standing during the current period of continuous employment shall have their salary reduced to the salary (including merit increases) they would have received if they had remained in the lower class.

B. Voluntary/Involuntary Demotion

An employee who, after the probationary period, is demoted to a position in a class which is allocated to a lower salary range than the class from which they are demoted shall have their salary reduced to the salary in the range for the new class which is the same or closest to the salary they were receiving before demotion. The anniversary date of such employee after demotion shall remain the same as before demotion.

10. Salary Step Upon Transfer

In the case of the transfer of any employee from one position to another in the same class, or to another class to which the same pay range is applicable, the employee shall remain at the same pay step and retain the original anniversary date.

11. Deferred Compensation Plan

Employees are eligible for voluntary participation in a deferred compensation plan made available by the County, subject to continued qualification of such plan under the law.

12. Assignment of New Classification

After consultation with the Union, the Human Resources Director shall assign each newly established job classification to an appropriate unit as defined in the County Employer-Employee Relations Policy. The Union may appeal such assignment to the General Government Committee. The appeal shall be in writing and shall be filed with the General Government Committee within thirty (30) days after the Human Resources Director makes the assignment. The decision of the General Government Committee on the appeal shall be final.

13. "Y" Rates

Whenever the effect of reclassification is to reduce the salary of an incumbent, the Board of Supervisors may direct that a capital "Y" be set opposite the reclassified position on all payroll and other personnel records. Whenever a capital "Y" is set opposite a position, the incumbent shall continue to receive their previously authorized salary until termination of their employment or until a higher rate of pay may be authorized, whichever occurs first.

14. Longevity Pay

- After completion of ten (10) years of continuous County employment a one percent (1%) wage increase

15. Supplemental or Lump Sum Payments While on Leave Without Pay

Supplemental or lump sum payments shall only be paid to employees who are actually in paid status with the exception of employees who are on unpaid FMLA/CFRA leave.

ARTICLE 8. CIVIL SERVICE/MERIT SYSTEMS

Most County employees have rights guaranteed under Civil Service or State Merit Systems depending on the agency in which they are employed. Either Civil Service or State Merit Systems may not cover some employees in Special Districts. If an employee is uncertain of their status under these systems they should contact their shop steward and/or the Department of Human Resources.

Pursuant to section 3.16 of this MOU, a copy of the Civil Service Rules and other employment or County documents are available at County work sites where five (5) or more SEIU represented employees are assigned, through the employee's department, Human Resources, or on the County web page.

1. Probationary Periods for New Hires, Promotions, Demotions, and Transfers

If the employee has already successfully completed probation for any County classification, that employee shall serve a 6-month probationary period if they are promoted into a higher classification. If the employee has not already successfully completed probation for any classification, there shall be a 12-month probationary period for all persons who are newly hired, promoted, demoted, or who transfer from one classification into a different classification in the same salary grade. This section does not apply to trainees.

Employees covered by this 12-month probation shall have a 5-month and 11-month review and evaluation.

Additional evaluations and reviews may occur.

Transfers to a different department within the same classification.

There shall be a six (6) month probationary period for all such transfers – provided the employee has previously passed a probationary period for the classification.

Rehires

An employee returning to service with the County after a break in service into a classification in which he / she has previously passed probation shall serve a new 6-month probationary period from the date of re-hire.

Probationary Periods for trainee positions and promotions without recruitment

The County agrees to reduce the probationary period from one year to six (6) month probationary period for incumbents after their promotion to journey level from classifications designated as trainee, such as: Animal Control Officer in Training, Environmental Health Specialist I, Mental Health Clinician I, Staff Assistant I, Legal Secretary I, etc.; or from classifications for which the Civil Service Commission has specifically approved and is stated in the class specification that incumbent may be promoted without recruitment upon attainment of the required license or certification, such as: Agriculture Standards Specialist I and II, Road Maintenance Worker I, II and III, Building Inspector I, etc.

2. “Bumping Rights” of Permanent Employees on Promotion, Demotion and Transfer

An employee who has attained permanent status in employment with the County who is serving a probationary period as a result of promotion or voluntary transfer shall return to their previous classification and department should the employee not become permanent in the promotion or transfer either by the choice of the employee or due to failure to pass probation, unless the employee has been terminated for cause in accordance with Article 18 of this memorandum.

Alternatively, at the request of the employee and with the approval of Human Resources and the affected Department the employee may instead transfer or demote into any classification in the County where there is a vacant funded position within which the employee has obtained permanent status. The employee shall serve the same probationary period he or she would otherwise serve by a transfer or voluntary demotion (6 months).

3. Layoff Procedure

In accordance with County Civil Service Rule VI, in the event of a reduction-in-force, employees are subject to layoff by department, classification and in inverse order of seniority. At the time layoff notices are distributed the County shall provide the Union with seniority lists of classifications to be affected. Following receipt of layoff notice by the affected employee, the Union will be provided with a copy of the layoff notice which includes the employee’s bumping rights.

A. Reduction in Hours

In accordance with County Civil Service Rule XI.6.E, whenever a layoff due to financial restraints should otherwise be necessary in a department, any regular full-time or part-time employee may, with the approval of the department head, voluntarily consent to a reduction in hours in place of such layoff. Under such circumstances the following shall apply:

1. For the purposes of layoff and displacement a full-time employee shall retain length of service in the classification just as if employment had continued on a full-time basis.

2. A regular part-time employee shall have length of service calculated at the same fixed percentage of full-time work as actually worked prior to the reduction in hours.

Such schedule of reduced hours shall be for a minimum period of time set by the department head. Should it be determined that department operations so require, an employee may be recalled to former status, even should the action result in layoffs. The employee may not unilaterally return to former status in the former position until the end of the minimum period.

At the conclusion of the minimum period the employee and the department head shall either agree to extend the period, or the employee voluntarily working reduced hours shall be restored to former regular full-time or part-time employment. The employee must be available to resume restored hours within two weeks of a written notice of restoration or shall be declared unavailable and shall be terminated.

If, while assigned to a schedule of reduced hours, an employee is requested to work additional hours for temporary periods, such time worked will not be seen as full or partial restoration to former regular employment.

4. Layoff Notice or Pay-in-Lieu for Permanent Employees

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the department head, with a copy to County Human Resources and the Union within ten (10) working days of receipt of the written response at Step Two.

8. Third Step

Within ten (10) working days after receiving the completed grievance form, the department head, or their representative, shall meet with the employee and shall discuss the grievance. The department head shall give their decision within ten (10) working days after the discussion and send a copy of the decision to Human Resources and the Union.

Should the employee remain aggrieved, the decision of the department head may be appealed to the Binding Arbitration (Step Four). Such appeal must be made within ten (10) working days of receipt of the written decision of the department head.

A. Mediation

Prior to a grievance moving to Step Four, either party may request the assistance of a mediator from the State Conciliation & Mediation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance. If the grievance is not resolved, discussions during mediation shall not be admissible in any subsequent hearing.

9. Fourth Step

If the grievance is not settled following completion of the Third Step of the grievance procedure, the Union may request binding arbitration. The request for binding arbitration must be submitted to the Human Resources Director, in writing, within ten (10) days of receipt of the response from Step Three.

An arbitrator may be selected by mutual agreement of the County and the Union. Should the parties fail to agree on an arbitrator, they shall make a joint request to the State Conciliation Service for a list of five (5) qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the opportunity to strike determined by chance.

All documentation supporting the parties' positions shall be filed at least ten (10) days before the hearing with the arbitrator.

The arbitrator shall not have power to alter, amend, change, add to, or subtract from any of the terms of this Memorandum of Understanding. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties. The decision of the arbitrator shall be final and binding upon the parties.

The cost of employing the arbitrator shall be borne equally by the parties. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

Court Reporter/Transcript Fees

If a court reporter is requested, the requesting party is obligated to pay for the services of the court reporter.

Cost of transcript copies shall be borne by those parties requesting copies.

10. Non-Retaliation

Employees who file a grievance or who participate in a grievance procedure shall be free from harassment or retaliation as a result of filing or participating in a grievance.

11. Maintenance of Performance Standards by Grievant

Employees who file a grievance are in no manner excused or exempt from performance standards of the job. Job

performance standards will be maintained throughout and following any action undertaken as a result of this grievance procedure.

12. Award Limit

The arbitrator's award shall be binding upon the Union. To the extent that the award of the arbitrator is not in excess of \$2500 per individual grievant, it is advisory. If within sixty (60) days of receiving notice of decision and award requiring an expenditure in excess of \$2500 per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of \$2500 per individual grievant. The Union may then resort to a court of competent jurisdiction to pursue other available legal remedies.

ARTICLE 20. UNION MEMBERSHIP

It is recognized that the Union must provide fair and equal representation to all employees in all represented classes. Employees who are not members of the Union benefit from Union representation.

- C. Employees who request that the County make, modify or cancel payroll deductions made under this Article shall be directed to the Union. The County shall rely on the information provided by the Union with respect to the deduction(s).
- D. The Union is not required to provide the County with a copy of the employee's authorization unless a dispute arises about the existence or terms of the authorization.

4. Indemnification and Hold Harmless

The Union shall defend, indemnify, hold harmless, release and save the County, its agents and employees, from and against any and all claims, demands, suits, orders, judgments, expenses, or other forms of liability arising out of or in connection with this Article and/or any action taken or not taken by the County and/or the Union under this Article including, but not limited to, the collection and procedures for collection of dues and deductions from employees paychecks for memberships dues, COPE or other Union sponsored benefit program deduction and the amount of such Fees. This Article shall be in addition to any other remedy available to the County under this Memorandum, or provision of law.

ARTICLE 21. FULL UNDERSTANDING, MODIFICATION, WAIVER

1. Full Understanding

This Memorandum sets forth the full and entire understanding of the parties regarding the matters set forth herein. Any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

The parties recognize that existing County ordinances that have not been modified by this or previous Memorandums of Understanding shall remain in full force and effect until such time as the parties have met and conferred in good faith regarding any proposed changes as required under the Meyers-Milias-Brown Act.

2. Waiver

Except as specifically provided herein, it is agreed and understood that the Union voluntarily and unqualifiedly

waives its right to and releases the County from any obligation to meet and confer on any subject or matter contained herein. The Union acknowledges that the County has fulfilled its obligations under Government Code §3505 for the length of this Memorandum for the matters contained herein.

3. Modification

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto, unless made and executed in writing by the parties hereto, and if required, approved and implemented by the County's Board of Supervisors.

4. No Limit on Civil Service Commission Authority

Nothing in this Memorandum shall be construed to limit or remove the existing or future jurisdiction or authority of the Civil Service Commission.

5. Non-Precedent Setting

The waiver of any breach, term, or condition of this Memorandum by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

6. Invalidation (Severability)

If, during the term of this Memorandum, any item or portion thereof is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction; or if compliance with, or enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this Memorandum shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Memorandum shall not invalidate any remaining portion that shall continue in full force and effect.

7. Replacement

In the event of suspension or invalidation of any article or section of this Memorandum, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE 22. TERM OF AGREEMENT

This Memorandum shall be effective on July 1, 2022, and shall remain in full force and effect through and including June 30, 2023 and shall continue thereafter from year to year unless at least sixty (60) days prior to June 30, 2023 either party shall file written notice with the other of its desire to amend, modify or terminate this Memorandum of Understanding.

Article I -- General Provisions

Sec. 1. Statement of Purpose:

This Resolution implements Chapter 10, Division 4; Title 1 of the Government Code of the State of California (Sections 3500 *et seq.*) captioned "Local Public Employee Organizations," (the Meyers-Milias-Brown Act) by providing orderly procedures for the administration of employer-employee relations between the County and its employee organizations. However, nothing contained herein shall be deemed to supersede the provisions of state law, ordinances, resolutions and rules which establish and regulate the civil service system, or which provide for other methods of administering employer-employee relations. This Resolution is intended, instead, to strengthen civil service and other methods of administering employer-employee relations through the establishment of uniform and orderly methods of communications between employees, employee organizations and the County.

It is the purpose of this Resolution to provide procedures for meeting and conferring in good faith with Recognized Employee Organizations regarding matters that directly and significantly affect and primarily involve the wages, hours and other terms and conditions of employment of employees in appropriate units and that are not preempted by federal or state law. However, nothing herein shall be construed to restrict any legal or inherent exclusive County rights with respect to matters of general legislative or managerial policy, which include among others: The exclusive right to determine the mission of its constituent agencies, departments, commissions, and boards; set standards of service; determine the procedures and standards of selection for employment; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other lawful reasons; determine the content of job classifications; subcontract work; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; take all necessary actions to carry out its mission in emergencies; and exercise complete control and discretion over its organization and the technology of performing its work.

Sec. 2. Definitions:

As used in this Resolution, the following terms shall have the meanings indicated:

- a. "Appropriate unit" means a unit of employee classes or positions, established pursuant to Article II hereof.
- b. "County" means Mendocino County, and, where appropriate herein, refers to the Board of Supervisors or any duly authorized County representative as herein defined.
- c. "Confidential Employee" means an employee so designated by the Human Resources Director who, in the course of his/he duties, has access to confidential information relating to the County's strategy development, position or funding regarding labor negotiations or employer – employee relations activities.
- d. "Consult/Consultation in Good Faith" means to communicate orally or in writing with all effected recognized employee organizations for the purpose of presenting and obtaining views or advising of proposed actions in a good faith effort to reach a consensus; and, as distinguished from meeting and conferring in good faith regarding matters within the required scope of the meet and confer process, does not involve an exchange of proposals and counterproposals in an endeavor to reach agreement in the form of a Memorandum of Understanding, nor is it subject to Article IV hereof.
- e. "Day" means calendar day unless expressly stated otherwise.
- f. "Employee Relations Officer" means the Director of Human Resources or his/her duly authorized representative.
- g. "Exclusively Recognized Employee Organization" means an employee organization which has been formally acknowledged by the County as the sole employee organization representing the employees in an appropriate representation unit pursuant to Article II hereof, having the exclusive right to meet and confer in good faith concerning statutorily required subjects pertaining to unit employees, and thereby assuming the corresponding obligation of fairly representing such employees.

Such recognition status may only be challenged by another employee organization as set forth in Article II section 8.

- h. "Impasse" means that the representatives of the County and a Recognized Employee Organization have reached a point in their meeting and conferring in good faith where their differences on matters to be included in a Memorandum of Understanding, and concerning which they are required to meet and confer, remain so substantial and prolonged that further meeting and conferring would be futile.

- i. "Management Employee" means an employee having responsibility for formulating, administering or managing the implementation of County policies and programs.
- j. "Proof of Employee Support" means (1) an authorization card recently signed and personally dated by an employee, provided that the card has not been subsequently revoked in writing by the employee (2) a verified authorization petition or petitions recently signed and personally dated by an employee, or (3) employee dues deduction authorizations, using the payroll register for the period immediately prior to the date a petition is filed hereunder, except that dues deduction authorizations for more than one employee organization for the account of any one employee shall not be considered as proof of employee support for any employee organization. The only authorization which shall be considered as proof of employee support hereunder shall be the authorization last signed by an employee. The words "recently signed" shall mean within ninety (90) days prior to the filing of such proof of support.
- k. "Supervisory Employee" means any employee having authority, in the interest of the County, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibly to direct them, or to adjust their grievances, or effectively to recommend such action if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment.
- l. Terms not defined herein shall have the meanings as set forth in the MMBA.

Article II -- Representation Proceedings

Sec. 3. Filing of Recognition Petition by Employee Organization:

An employee organization which seeks to be formally acknowledged as an Exclusively Recognized Employee Organization representing the employees in an appropriate unit shall file a petition with the Employee Relations Officer containing the following information and documentation:

- a. Name and address of the employee organization.
- b. Names and titles of its officers.
- c. Names of employee organization representatives who are authorized to speak on behalf of the organization.
- d. A statement that the employee organization has, as one of its primary purposes, the responsibility of representing employees in their employment relations with the County.

- e. A statement whether the employee organization is a chapter of, or affiliated directly or indirectly in any manner, with a local, regional, state, national or international organization, and, if so, the name and address of each such other organization.
- f. Certified copies of the employee organization's constitution and bylaws.
- g. A designation of those persons, not exceeding two in number, and their addresses, to whom notice sent by regular United States mail will be deemed sufficient notice on the employee organization for any purpose.
- h. A statement that the employee organization has no restriction on membership based on race, color, religion, creed, (including all aspects of religious belief, observance, and practice, including religious dress and grooming), ancestry, national origin, citizenship status, age, sexual orientation, gender (including pregnancy, medical conditions related to pregnancy or childbirth, breastfeeding, or medical conditions related to breastfeeding), gender identity, gender expression, marital status, genetic information, medical condition, physical or mental disability, military status, or any other consideration made unlawful by federal, state, or local law. Discrimination against employees, applicants, or volunteers on any such basis is unlawful and is prohibited.
- i. The job classifications or position titles of employees in the unit claimed to be appropriate and the approximate number of member employees therein.
- j. A statement that the employee organization has in its possession proof of employee support as herein defined to establish that a majority of the employees in the unit claimed to be appropriate have designated the employee organization to represent them in their employment relations with the County. Such written proof shall be submitted for confirmation to the Employee Relations Officer or to a mutually agreed upon disinterested third party.
- k. A request that the Employee Relations Officer formally acknowledge the petitioner as the Exclusively Recognized Employee Organization representing the employees in the unit claimed to be appropriate for the purpose of meeting and conferring in good faith.

The Petition, including the proof of employee support and all accompanying documentation, shall be declared to be true, correct and complete, under penalty of perjury, by the duly authorized officer(s) of the employee organization executing it.

Sec. 4. County Response to Recognition Petition:

Upon receipt of the Petition, the Employee Relations Officer shall determine whether:

- a. There has been compliance with the requirements of the Recognition Petition, and
- b. The proposed representation unit is an appropriate unit in accordance with Sec. 9 of this Article II.

If an affirmative determination is made by the Employee Relations Officer on the foregoing two matters, he/she shall so inform the petitioning employee organization, shall give written notice of such request for recognition to the employees in the unit and shall take no action on the request for thirty (30) days thereafter. If either of the foregoing matters are not affirmatively determined, the Employee Relations Officer shall offer to consult thereon with such petitioning employee organization and, if such determination thereafter remains unchanged, shall inform that organization of the reasons therefore in writing.

The petitioning employee organization may appeal such determination in accordance with Sec. 12 of this Resolution.

Sec. 5. Open Period for Filing Challenging Petition:

Within thirty (30) days of the date written notice was given to affected employees that a valid recognition petition for an appropriate unit has been filed, any other employee organization may file a competing request to be formally acknowledged as the exclusively recognized employee organization of the employees in the same or in an overlapping unit (one which corresponds with respect to some, but not all the classifications or positions set forth in the recognition petition being challenged), by filing a petition evidencing proof of employee support in the unit claimed to be appropriate of at least thirty (30) percent and otherwise in the same form and manner as set forth in Sec. 3 of this Article II. If such challenging petition seeks establishment of an overlapping unit, the Employee Relations Officer shall call for a hearing on such overlapping petitions for the purpose of ascertaining the more appropriate unit, at which time the petitioning employee organizations shall be heard. Thereafter, the Employee Relations Officer shall determine the appropriate unit or units in accordance with the standards in Sec. 9 of this Article II. The petitioning employee organizations shall have fifteen (15) days from the date notice of such unit determination is communicated to them by the Employee Relations Officer to amend their petitions to conform to such determination or to appeal such determination pursuant to Sec. 12 of this Article II.

Sec. 6. Granting Recognition Without an Election:

If the Petition is in order, and the proof of support shows that a majority of the employees in the appropriate unit have designated the petitioning employee organization to represent them, and if no other employee organization filed a challenging petition, the petitioning employee organization and the Employee Relations Officer shall request the California State Mediation and Conciliation Service, or another agreed upon neutral third party, to review the count, form, accuracy and propriety of the proof of support. If the neutral third party makes an affirmative determination, the Employee Relations Officer shall formally acknowledge the petitioning employee organization as the Exclusive Recognized Employee Organization for the designated unit.

Sec. 7. Election Procedure:

Where recognition is not granted pursuant to Sec. 6, the Employee Relations Officer shall arrange for a secret ballot election to be conducted by a party agreed to by the Employee Relations Officer and the concerned employee organization(s), in accordance with such party's rules and procedures subject to the provisions of this Resolution. All employee organizations who have duly submitted petitions which have been determined to be in conformance with this Article II shall be included on the ballot. The ballot shall also reserve to employees the choice of representing themselves individually in their employment relations with the County. Employees entitled to vote in such election shall be those persons employed in regular permanent positions within the designated appropriate unit who were employed during the pay period immediately prior to the date which ended at least fifteen (15) days before the date the election commences, including those who did not work during such period because of illness, vacation or other authorized leaves of absence, and who are employed by the County in the same unit on the date of the election. An employee organization shall be formally acknowledged as the Exclusively Recognized Employee Organization for the designated appropriate unit following an election or run-off election if it received a numerical majority of all valid votes cast in the election. In an election involving three or more choices, where none of the choices receives a majority of the valid votes cast, a run-off election shall be conducted between the two choices receiving the largest number of valid votes cast; the rules governing an initial election being applicable to a run-off election.

There shall be no more than one valid election under this Resolution pursuant to any petition in a 12-month period affecting the same unit.

In the event that the parties are unable to agree on a third party to conduct an election, the election shall be conducted by the California State Mediation and Conciliation Service.

Costs of conducting elections shall be borne in equal shares by the County and by each employee organization appearing on the ballot.

Sec. 8. Procedure for Decertification of Exclusively Recognized Employee Organization:

A Decertification Petition alleging that the incumbent Exclusively Recognized Employee Organization no longer represents a majority of the employees in an established appropriate unit may be filed with the Employee Relations Officer only during the month of March of any year following the first full year of recognition or during the thirty (30) day period commencing one hundred twenty (120) days prior to the termination date of a Memorandum of Understanding then having been in effect less than three (3) years, whichever occurs later. A Decertification Petition may be filed by two or more employees or their representative, or an employee organization, and shall contain the following information and documentation declared by the duly authorized signatory under penalty of perjury to be true, correct and complete:

- a. The name, address and telephone number of the petitioner and a designated representative authorized to receive notices or requests for further information.
- b. The name of the established appropriate unit and of the incumbent Exclusively Recognized Employee Organization sought to be decertified as a representative of that unit.
- c. An allegation that the incumbent Exclusively Recognized Employee Organization no longer represents a majority of the employees in the appropriate unit, and any other relevant and material facts relating thereto.
- d. Proof of employee support that at least thirty (30) percent of the employees in the established appropriate unit no longer desire to be represented by the incumbent Exclusively Recognized Employee Organization. Such proof shall be submitted for confirmation to the Employee Relations Officer or to a mutually agreed upon disinterested third party within the time limits specified in the first paragraph of this Section.

An employee organization may, in satisfaction of the Decertification Petition requirements hereunder, file a Petition under this Section in the form of a Recognition Petition that evidences proof of employee support of at least thirty (30) percent, that includes the allegation and information required under this Section 8, and otherwise conforms to the requirements of Section 3 of this Article.

The Employee Relations Officer shall initially determine whether the Petition has been filed in compliance with the applicable provisions of this Article II. If his/her determination is in the negative, he/she shall offer to consult thereon with the representative(s) of such petitioning employees or employee organization and, if such determination thereafter remains unchanged, shall return such Petition to the employees or employee organization with a statement of the reasons therefore in writing. The petitioning employees or employee organization may appeal such determination in accordance with Sec. 12 of this Article II. If the determination of the Employee Relations Officer is in the affirmative, or if his negative determination is reversed on appeal, he/she shall give written notice of such Decertification or Recognition Petition to the incumbent Exclusively Recognized Employee Organization and to unit employees.

The Employee Relations Officer shall thereupon arrange for a secret ballot election to be held on or about fifteen (15) days after such notice to determine the wishes of unit employees as to the question of decertification and, if a Recognition Petition was duly filed hereunder, the question of representation. Such election shall be conducted in conformance with Sec. 7 of this Article II.

During the "open period" specified in the first paragraph of this Sec. 8, the Employee Relations Officer may on his/her own motion, when he/she has reason to believe that a majority of unit employees no longer wish to be represented by the incumbent Exclusively Recognized Employee Organization, give notice to that organization and all unit employees that he/she will arrange for an election to determine that issue. In such event any other employee organization may within fifteen (15) days of such notice file a Recognition Petition in accordance with this Sec. 8, which the Employee Relations Officer shall act on in accordance with this Sec. 8.

If, pursuant to this Sec. 8, a different employee organization is formally acknowledged as the Exclusively Recognized Employee Organization, such organization shall be bound by all the terms and conditions of any Memorandum of Understanding then in effect for its remaining term.

Sec. 9. Policy and Standards for Determination of Appropriate Units:

The policy objectives in determining the appropriateness of units shall be the effect of a proposed unit on (1) the efficient operations of the County and its compatibility with the primary responsibility of the County and its employees to effectively and economically serve the public, and (2) providing employees with effective representation based on recognized community of interest considerations. These policy objectives require that the appropriate unit shall be the broadest feasible grouping of positions that share an identifiable community of interest. Factors to be considered shall be:

- a. Similarity of the general kinds of work performed, types of qualifications required, and the general working conditions.
- b. History of representation in the County and similar employment; except however, that no unit shall be deemed to be an appropriate unit solely on the basis of the extent to which employees in the proposed unit have organized.
- c. Consistency with the organizational patterns of the County.
- d. Effect of differing legally mandated impasse resolution procedures.
- e. Number of employees and classifications, and the effect on the administration of employer-employee relations created by the fragmentation of classifications and proliferation of units.
- f. Effect on the classification structure and impact on the stability of the employer-employee relationship of dividing a single or related classifications among two or more units.

Notwithstanding the foregoing provisions of this Section, managerial, supervisory and confidential responsibilities, as defined in Sec. 2 of this Resolution, are determining factors in establishing appropriate units hereunder, and therefore managerial, supervisory and confidential employees may only be included in a unit consisting solely of managerial, supervisory or confidential employees respectively. Managerial, supervisory and confidential employees may not represent any employee organization which represents other employees.

Peace Officers have the right to be represented in separate units composed solely of such peace officers.

Also under the MMBA, professional employees have the right to be represented separately from non-professional employees.

The Employee Relations Officer shall, after notice to and consultation with affected employee organizations, allocate new classifications or positions, delete eliminated classifications or positions, and retain, reallocate or delete modified classifications or positions from units in accordance with the provisions of this Section. The decision of the Employee Relations Officer shall be final.

Sec. 10. Procedure for Modification of Established Appropriate Units:

Requests by employee organizations for modifications of established appropriate units may be considered by the Employee Relations Officer only during the period specified in Sec. 8 of this Article II. Such requests shall be submitted in the form of a Recognition Petition and, in addition to the requirements set forth in Sec. 3 of this Article, shall contain a complete statement of all relevant facts and citations in support of the proposed modified unit in terms of the policies and standards set forth in Sec. 9 hereof. The Employee Relations Officer shall process such petitions as other Recognition Petitions under this Article II.

The Employee Relations Officer may by his/her own motion propose that an established unit be modified. The Employee Relations Officer shall give written notice of the proposed modification(s) to any affected employee organization and shall hold a meeting concerning the proposed modification(s), at which time all affected employee organizations shall be heard. Thereafter the Employee Relations Officer shall determine the composition of the appropriate unit or units in accordance with Sec. 9 of this Article II, and shall give written notice of such determination to the affected employee organizations. The Employee Relations Officer's determination may be appealed as provided in Section 12 of this Article. If a unit is modified pursuant to the motion of the Employee Relations Officer hereunder, employee organizations may thereafter file Recognition Petitions seeking to become the Exclusively Recognized Employee Organization for such new appropriate unit or units pursuant to Sec. 3 hereof.

Sec. 11. Procedure for Processing Severance Requests:

An employee organization may file a request to become the recognized employee organization of a unit alleged to be appropriate that consists of a group of employees who are already a part of a larger established unit represented by another recognized employee organization. The timing, form and processing of such request shall be as specified in Sec. 10 for modification requests.

Sec. 12. Appeals:

An employee organization aggrieved by an appropriate unit determination of the Employee Relations Officer; or an employee organization aggrieved by a determination of the Employee Relations Officer that a Recognition Petition (Sec. 3), Challenging Petition (Sec. 5), Decertification Petition (Sec. 8), Unit Modification Petition (Sec. 10) --- or employees aggrieved by a determination of the Employee Relations Officer that a Decertification Petition (Sec. 8) or Severance Request (Sec. 11) ---has not been filed in compliance with the applicable provisions of this Article, may, within ten (10) days of notice of the Employee Relations Officer's final

decision, request to submit the matter to mediation by the State Mediation and Conciliation Service, or may, in lieu thereof or thereafter, appeal such determination to the Board of Supervisors for final decision within fifteen (15) days of notice of the Employee Relations Officer's determination or the termination of mediation proceedings, whichever is later.

Appeals to the Board of Supervisors shall be filed in writing with the Clerk of the Board of Supervisors, and a copy thereof served on the Employee Relations Officer. The Board of Supervisors shall commence to consider the matter within thirty (30) days of the filing of the appeal. The Board of Supervisors may, in its discretion, refer the dispute to a non-binding third party hearing process. Any decision of the Board of Supervisors on the use of such procedure, and/or any decision of the Board of Supervisors determining the substance of the dispute shall be final and binding.

Article III -- Administration

Sec. 13. Submission of Current Information by Recognized Employee Organizations:

All changes in the information filed with the County by an Exclusively Recognized Employee Organization under items (a.) through (h.) of its Recognition Petition under Sec. 3 of this Resolution shall be submitted in writing to the Employee Relations Officer within fourteen (14) days of such change.

Exclusively Recognized Employee Organizations that are party to an agency shop provision shall provide annually to the Employee Relations Officer and to unit members within 60 days after the end of its fiscal year the financial report required under Government Code Section 3502.5 (f) of the Meyers-Milias Brown Act.

Sec. 14. Employee Organization Activities -- Use of County Resources:

Access to County work locations and the use of County paid time, facilities, equipment and other resources by employee organizations and those representing them shall be authorized only to the extent provided for in Memoranda of Understanding and/or administrative procedures, shall be limited to lawful activities consistent with the provisions of this Resolution that pertain directly to the employer-employee relationship and not such internal employee organization business as soliciting membership, campaigning for office, and organization meetings and elections, and shall not interfere with the efficiency, safety and security of County operations.

Sec. 15. Administrative Rules and Procedures:

The Chief Executive Officer is hereby authorized to establish such rules and procedures as appropriate to implement and administer the provisions of this Resolution after consultation with affected employee organizations.

Article IV -- Impasse Procedures

Sec. 16. Initiation of Impasse Procedures:

If the meet and confer process has reached impasse as defined in Section 2 of this Resolution, either party may initiate the impasse procedures by filing with the other party a written request for an impasse meeting, together with a statement of its position on all issues. An impasse meeting shall then be scheduled promptly by the Employee Relations Officer. The purpose of such meeting shall be:

- a.** To review the position of the parties in a final effort to reach agreement on a Memorandum of Understanding; and
- b.** If the impasse is not resolved, to discuss arrangements for the utilization of the impasse procedures provided herein.

Sec. 17. Impasse Procedures:

Impasse procedures are as follows:

- a.** If the parties agree to submit the dispute to mediation, and agree on the selection of a mediator, the dispute shall be submitted to mediation. All mediation proceedings shall be confidential. The mediator shall make no public recommendation, nor take any public position at any time concerning the issues.
- b.** Each party shall bear the burden of its own costs. The cost for the services of a mediator or other neutral third party utilized by the parties, and other mutually incurred costs of mediation shall be borne equally by the County and Exclusive Recognized Employee Organization. Separately incurred costs shall be individually borne by such party.
- c.** After any applicable impasse procedures have been exhausted, the Board of Supervisors may hold a public hearing regarding the impasse, and take such action regarding the impasse as it in its discretion deems appropriate as in the public interest, including implementation of the County's last, best and final offer. Any legislative action by the Board of Supervisors on the impasse shall be final and binding.

Article V -- Miscellaneous Provisions

Sec. 18. Construction:

This Resolution shall be administered and construed as follows:

- (a) Nothing in this Resolution shall be construed to deny to any person, employee, organization, the County, or any authorized officer, body or other representative of the County, the rights, powers and authority granted by federal or state law.
- (b) This Resolution shall be interpreted so as to carry out its purpose as set forth in Article I.
- (c) Nothing in this Resolution shall be construed as making the provisions of California Labor Code Section 923 applicable to County employees or employee organizations, or of giving employees or employee organizations the right to participate in, support, cooperate or encourage, directly or indirectly, any strike, sickout or other total or partial stoppage or slowdown of work. In consideration of and as a condition of initial and continued employment by the County, employees recognize that any such actions by them are in violation of their conditions of employment except as expressly otherwise provided by legally preemptive state or contrary local law. In the event employees engage in such actions, they shall subject themselves to discipline up to and including termination, and may be replaced, to the extent such actions are not prohibited by preemptive law; and employee organizations may thereby forfeit rights accorded them under County law or contract.

Sec. 19. Severability:

If any provision of this Resolution, or the application of such provision to any persons or circumstances, shall be held invalid, the remainder of this Resolution, or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby.

RECOMMENDED MOTIONS:

Approve classification specification modifications and title changes for Branch Librarian and Branch Librarian – Non-MLS, or as modified by the Commission and Approve the reclassification of incumbents.

SUMMARY OF RECOMMENDED ACTIONS:

Human Resources recommends the Commission approve the classification specification modifications and title changes to the classifications for Branch Librarian and Branch Librarian – Non-MLS and to reclassify incumbents.

BACKGROUND & ANALYSIS:

Cultural Services Agency contacted Human Resources mid-year 2022, to discuss, evaluate and assess the minimum qualifications for Branch Librarian and Branch Librarian – Non-MLS.

During the ensuing months Cultural Services Agency and Human Resources reviewed the required minimum qualifications as well as reviewed the entirety of the classification specifications. The research resulted in the decision to modify the classifications and change the title for Branch Librarian and Branch Librarian – Non-MLS to Library Branch Manager – MLS and Library Branch Manager – Non-MLS.

The suggested revisions and title changes to the current classification specifications will support the actual duties and responsibilities currently performed in our library branches and *satellite sites. Subject: Employees Requesting to Attend BOS Meetings

Good morning Department Heads and Elected Officials,

During this time of labor contract negotiations and the creation of the County Budget, departments may have employees that wish to attend the Board of Supervisors meetings to support their employee organization and/or speak to the Board of Supervisors. This notice provides guidance on such requests.

Employees planning to attend Board of Supervisors meetings on union business must be informed that this activity must be conducted on the employee's own time, and requested in advance.

Departments may approve requests by employees for the use of accruals, including personal leave, vacation, CTO/FTO, or unpaid time off. Requests shall not unreasonably interfere with a department's operation, and Union members shall secure permission from their supervisors before leaving work assignments. Requests shall not be unreasonably denied.

Please contact Deputy CEO Cherie Johnson, Assistant HR Director William Schurtz, or HR Manager Kao Saeturn, with any questions or for guidance.

Thank you,
Kao Saeturn

Subject: RE: Employee participation in BOS Action is Protected Concerted Activity

Hi Patrick,

Thank you for bringing this to HR's attention. I did speak with Deb moments ago, and she has not been made aware of any employees from the library requesting time off tomorrow, so she is also not aware of any employee having been denied a time off request either. She did reference an email that indicated several employees would be attending the meeting, however that may be interpreted. Deb's concern is having the established minimum number of employees each branch requires to open each day, which would be her basis for any time off request approval/denials.

Thank you,
Kao Saeturn

Hi Kao,

Thank you for the response. I'm not sure that this is how it is being presented to staff.

Here is an example of library employees being told that they cannot attend since they didn't request time off last week:

All,

Please see Kao's response below. All employees must request time off from their supervisors before going to the BOS meeting. If they were thinking of going last week, that would have been their opportunity to request time off.

Thanks!

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Patrick,

The notice to departments did not include any suggestion or direction to discourage or prevent any employee from attending a Board of Supervisors meeting, nor did it not state that any employee was required to notify their supervisor they will be attending a BOS meeting or participating in any concerted activity. The County has no desire to discourage or prevent any employee from attending a BOS meeting or participating in any concerted activity.

Please don't read into this notice to departments for more than it is. Departments received requests from employees disclosing they would be attending an upcoming Board of Supervisors meeting, and requested guidance specific to this topic. The message in this email is to departments that if an employee states that they plan to attend a BOS meeting, this activity must be conducted on the employee's own time, unless it is during the employee's regular break or lunch, and requested in advance. The departments have a duty to serve the public, but any requests will not be unreasonably denied.

Thank you,

Dear Kao,

If any employee is discouraged or prevented from attending the Union Action at the Board of Supervisors meeting tomorrow, this will constitute an Unfair Labor Practice against the employee's right to engage in Protected Concerted Activity.

While it is not our intent to be disruptive and we have suggested that employees notify their supervisors about their participation, they are under no obligation to do so, unless doing so would constitute an imminent threat to public health. Please correct this directive.

Subject: Let's Pack the County Budget hearings

Dear Mendocino County Chapter Members,

The Board of Supervisors will be holding their Budget Hearings on June 6 and 7 to finalize their spending plan for 2023-2024. So far, they have failed to include a Cost of Living Adjustment (COLA) as part of their budgeting. That's ridiculous. We need to send the County administration and the Board of Supervisors a **Loud and Clear** message that we need a reasonable increase if they expect us to continue to provide the service we do to the County.

We are asking every member to commit to attend for a minimum of **two hours**, so we can keep the chambers packed with County employees for both days. It's time for all of us to converge on the Board of Supervisors and let them know that we demand a fair and just contract! **We have a right under California Labor Law to work collectively to address our workplace concerns, so we are protected doing this on work time.** To be paid for the time you may need to request PTO or vacation time, but you can attend regardless. Coordinate with your coworkers so that you can carpool and take shifts attending. There will be opportunities to speak to the Board about the challenges we all face as inflation eats away at our earnings and the high vacancy rates in many departments is leaving us exhausted. Remember to wear your **purple** shirts!

Here is the link to sign up for your time to attend the Budget hearings:

Subject: Join us to March on the BOS on Tuesday, June 20 at 8:45am

It's time for all of us to converge on the Board of Supervisors and let them know that we demand a fair and just contract! Join us on **Tuesday, June 20 at 8:45am at the Administration Building in Ukiah**. We will be demanding that they stop making excuses and work with us to make a plan. The budget is tight, but it is a question of priorities. There are many revenue streams that the County has just failed to pursue for years that would easily fund getting County employees to market rate.

We have a right under California Labor Law to work collectively to address our workplace concerns, so we are protected doing this on work time. This will not be paid time unless you request PTO, vacation or ask to flex your hours, but it is important that **we have all hands on deck**. The Board needs to understand that if they do nothing, County employees will respond.
